all crimes should be punished regardless of sexual orientation. New laws are not needed granting special status

5

But Federal law has no place here either

10/11

If any of these procedure are done to abort life, then I am completely opposed to this. But, if future research can lead to preserving and improving life without harming or destroying the embryo, I want to know more.

13

IF they choose to be tested, that's fine. but the real test will come when they apply for college
